❶ 1000 de cuvinte grupate pe teme:

Pentru a fi mai eficientă decât un dicționar, *Prima mea carte de engleză* este organizată pe teme: **familia, casa, mâncarea, școala, vacanța...**

Subiecte familiare copiilor, care învață astfel engleza la fel de ușor cum au învățat să vorbească.

Fiecare cuvânt pe care îl descoperă îi conduce către un altul: brother (frate) la sister (soră), laugh (râde) la cry (plânge)...

Pentru a observa mai ușor aceste asocieri, anumite cuvinte sunt prezentate în spații colorate.

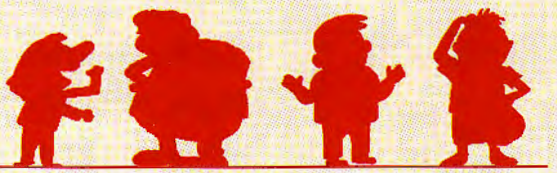
❷ Cuvinte care îi fac pe copii dornici să vorbească englezește

Cele 1000 de cuvinte din *Prima mea carte de engleză* au fost alese din universul copiilor. Ele formează un **vocabular** de bază suficient de **bogat** și **variat** pentru a permite copiilor să înceapă să vorbească în limba engleză.

friend
prieten, prietenă
Frances and Philip are friends.

bother
a agasa, a necăji
"Stop bothering me!"

Copiii învață și se distrează în același timp cu un **joc de memorie** pe care îl găsesc în partea de sus a fiecărei pagini.



❸ Gramatica

La sfârșitul cărții, câteva tabele foarte simple sintetizează regulile de gramatică indispensabile pentru folosirea corectă a **substantivelor**, a **verbelor**, a **adjectivelor** și a **expresiilor** din dicționar.

❹ Două mici vocabulare

Unul **englez–român** și altul **român–englez** permit copiilor să găsească imediat cuvântul pe care îl caută.

în deslușirea și învățarea limbii engleze.

Enciclopedia pentru prichindei

Să învățăm,
distrându-ne!

Să înțelegem cuvintele cu ajutorul **imaginilor!**

Cuvântul este scris cu litere aldine, astfel va fi memorat mult mai bine.

Apoi urmează **traducerea.**

O **propoziție scurtă** pentru deprinderea vorbirii.

Cuvintele scrise pe **fond colorat** pot fi memorate mai repede.

Dicționarul este structurat tematic:
corpul omenesc, casa, familia, școala, vacanța...
Toate temele sunt familiare copiilor, care vor învăța limba engleză așa cum au învățat limba lor maternă, asociind cuvintele între ele.
